## TEACHER HIGHLIGHTS!

We've been working on giving a shout out to our amazing teachers on our Facebook page. Here's a rundown of the teachers we have highlighted so far:

Mrs. Vierra teaches TK and said her favorite part of her job is being with the kids! "You just can't have a bad day with TK students. They are honest, they make me smile, they make me laugh, and remind me of the good in people. I feel so incredibly fortunate to be in this profession!"

If you would like to help support her class, we have included her classroom wish list:

Mrs. Valouch is teaching a 1st grade class at Riego Creek and we continuously hear how amazing, kind, and supportive she is to all of our students.

A little about Mrs. Valouch:

"My favorite hobbies are going to the beach, shopping, concerts, and spending time with my friends and family. I love helping kids learn how to read, how to discover something new about the world, and build confidence."

And for anyone who would like to make donations towards Mrs. Valouch's class wish list, you can make purchases here:

Here is our amazing Librarian, Ms. Richter! When asked what Ms. Richter loves most about her role, she said she loves "reading to the kids and helping them find new and exciting books to read to expand their horizons."

If you feel inclined, Ms. Richter has put together a wish list of items that are needed for our library, and they can be found here:

Thank you Ms. Richter for your commitment to our school and helping instill a love of reading for students!
